

# CHINA TRADE

## EXPORT ADVICE ONLINE

One of the most effective means of accessing trade and up-to-date business information on China from a variety of sources is through the web. Below we have listed over fifty web addresses, including business, government, and general information sites as an overview of what is available. It should be noted that these particular sites have been included for illustrative purposes and therefore are not to be considered as endorsements or necessarily representative of the views or the policy of *Export America* or the United States Department of Commerce.
